## I'm Free

Don't grieve for me, for now I'm free  
I'm following the path God has laid you see  
I took his hand when I heard him call  
I turned my back and left it all

I could not stay another day  
To laugh, to love, to work, or play  
Tasks left undone must stay that way  
I found that place at the close of day

If my parting has left a void  
Then fill it with remembered joys  
A friendship shared a laugh, a kiss  
Oh yes, these things I too will miss

Be not burdened with times of sorrow  
I wish you the sunshine of tomorrow  
My life's been full, I savored much  
Good friends, good times, a loved ones touch

Perhaps my time seemed all too brief  
Don't lengthen it now with undue grief  
Lift up your hearts and peace to thee  
God wanted me now, he set me FREE
